Intuitive Counselor

Empath

Medium

Channel of Spirit Guides

*Opening avenues of
communication between worlds*

Tysa's career focuses in music, songwriting, and narrative writing—as well as her lifelong sensitivity to the unseen—bring a unique symmetry to her intuitive readings. She is able to tap into your personal mythology, pinpoint where you need healing, and help you illuminate resistances to living your dreams. She can also assist you in initiating deeper levels of communication with your spiritual guidance, offering techniques to develop your intuitive compass and unfamiliar senses in a fun and soulful way—by accessing the most powerful tool you have: your imagination.

As a medium, Tysa provides a safe conduit of communication between you and your departed loved ones, while tending to the emotional connection and a soul's tender grief.
