Join intuitive counselor and empathic medium **Tysa Goodrich** for a journey into magic and healing. You will learn how to use crystals to amplify and focus your desires and dreams, and direct manifestation. In combination with creating your own unique talisman for personal dreams as a template for placing crystals, you will also learn how to send dreams and healing to hot spots in the world that need our magic. In the creation of crystal grids and talismans, you can gather, hold, and release energy, as well as balance and harmonize resonance. If you feel an attraction to crystals, and want to have fun designing your own personal talisman, then this workshop is for you!

- ◆ how to work meditatively in the creation of grids
- ◆ designing & receiving using the pendulum
- ◆ discussion about creativity (love's work)
- ◆ grid communication - What stands in the way?
